The Echo

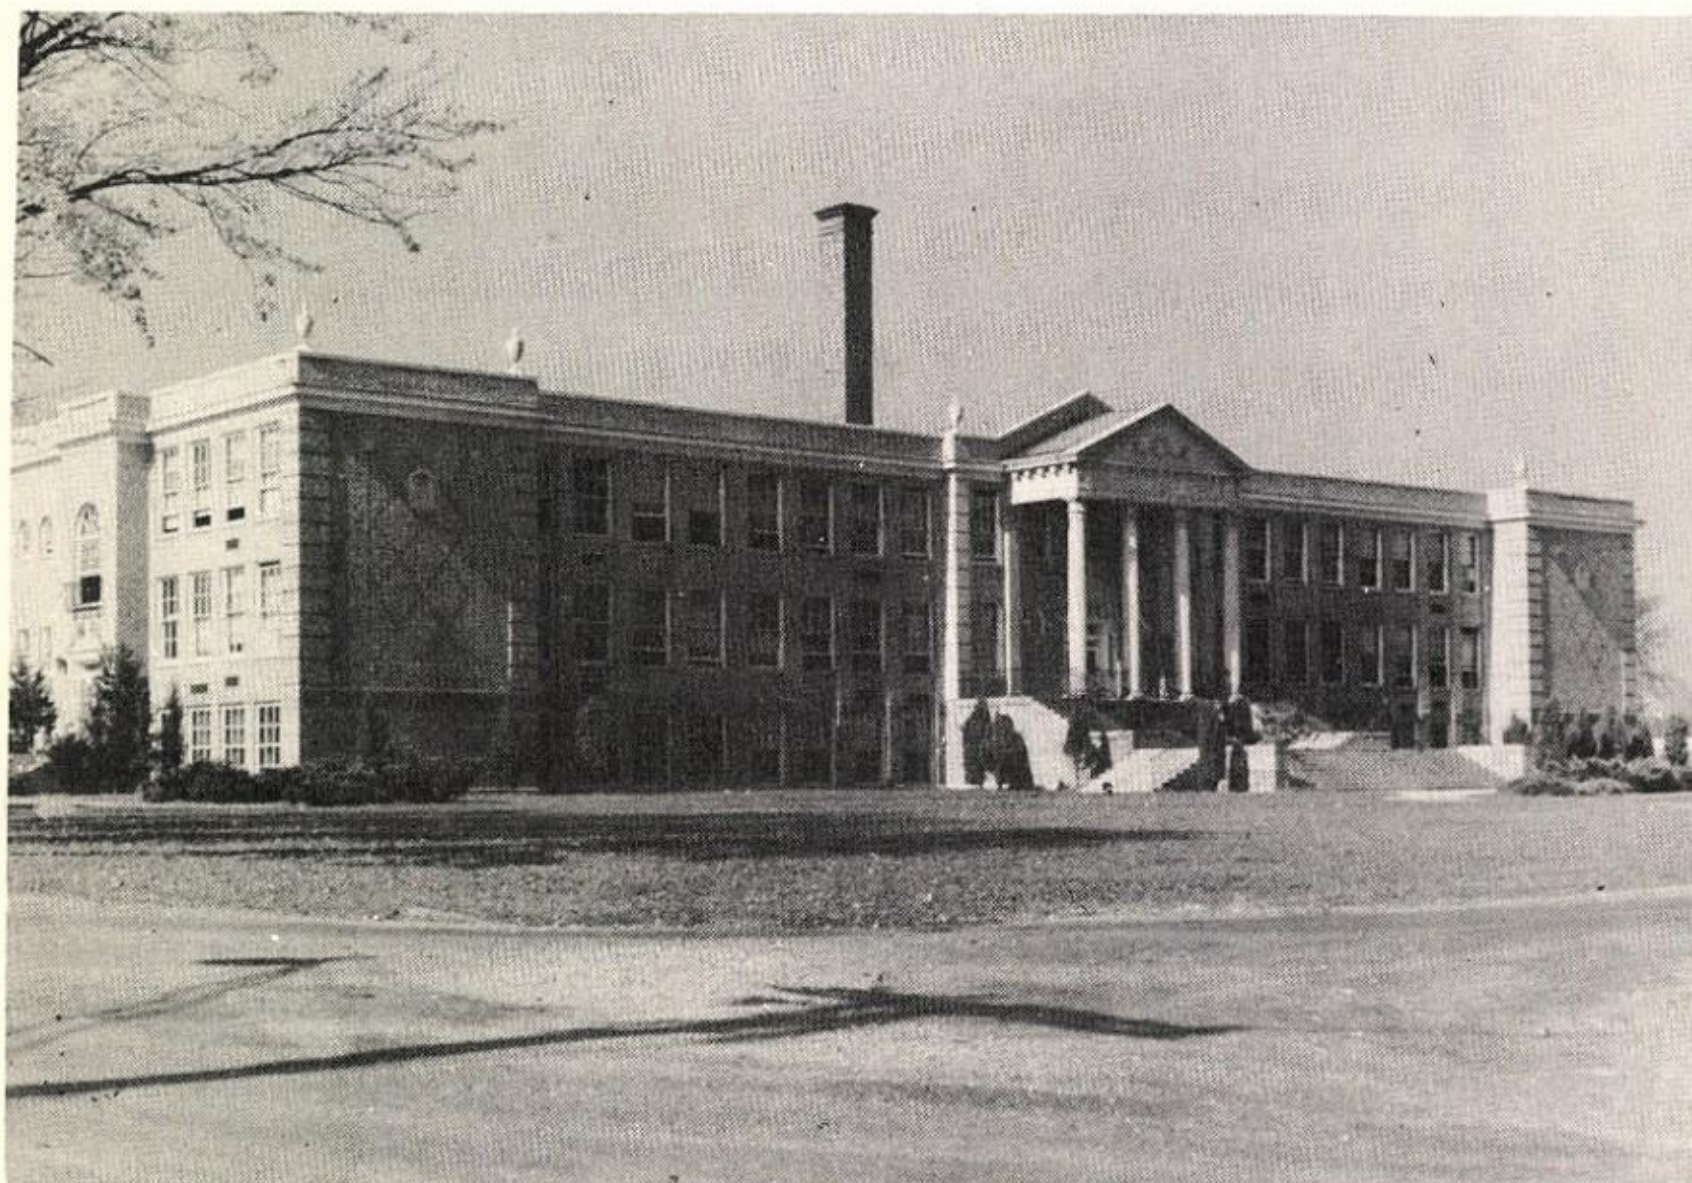

1951

Milton Union High School

West Milton, Ohio

Volume 7

Alma Mater

We, the Seniors of the Class of 1951, dedicate this edition of the ECHO, to the only member of the school faculty who is a Milton-Union graduate. Miss. Lair, since starting her teaching, has been a faithful member of the faculty and always been ready to help any student who needs ask for some knowledge of the library. We feel that as students of Milton-Union we the Seniors have possibly overlooked, not because of size but because of her seemingly unimportance, one of the hardest working teachers in the school. We do not want to overlook all the other teachers, who have been wonderful to us, but take this opportunity to thank Miss. Lair for her wonderful job she has done for the school.

Senior Activities

We seniors have been busy this year raising money for our senior trip. We want to thank everyone who has helped us.

One of our biggest projects was the Magazine Sales Campaign that was conducted in December. Different awards were given for high salesmanship.

Another interesting event was the Donkey Basketball game.

During the football season we sponsored some dances after the games. Students from the visiting school were invited.

Our senior class play, "Old Man's Money," was presented on November 18.

Other activities we have had during the year are: paper drives and bake sales. We have sold pencils and we also have collected sales tax stamps.

These various activities plus our annual sales have provided the funds for our trip.

Junior Activities

We, the Senior class of 1952, have been busy during our Junior year.

When school opened we were faced with a year of responsibility. This was also our year to work at the football games.

The second month of school we sold red and white "M" pins. For the high school students we ordered pins with guards on them.

In November we sold cookie jars, salt shakers, taffy, white crew hats, and canister sets. During the basketball season we sold small pins and ornaments.

We ordered our class rings and got them in January.

In the last months of school we planned the Junior and Senior Prom. Everyone helped in this big event. We also gave our class play.

All during the year, we, the class members, worked hard to earn money. As the year comes to a close we look forward to a greater and better year in 1952.

Football

The football team just missed another undefeated season for Milton this year when they lost only one ballgame. The Bulldogs finished the season with a record of eight wins and one loss. The only loss of the season came right in the middle of the season and happened to be the crucial game that told the story of the league championship. After finishing second best to Tipp City, the Bulldogs had to settle for the second place in the Southwestern Buckeye League. As a whole no one could complain of the successful season of Coach Holford's boys.

Basketball

The basketball team of 1950-51 season had a very good season and a very successful venture in the class A tourney. The team finished the season with a record of 16 wins against 2 defeats. They won the Stillwater League title for the second straight year and were the Class A District runners-ups. This being their first Venture in the "A" tourney the squad did a splendid job. There were seven seniors, three juniors, and two sophomores on the squad. The Reserve squad, although not winning all there games, did a very good job this season.

BOB LONG

Baseball

The season of 1950 was late in getting started because of the late Spring and as a result only 7 regular games were played. Our record of 3 won and 5 lost indicates the lack of experience that our ball club had. Most of the team was composed of Sophomores and Juniors, which means in 1951 the record should be much better.

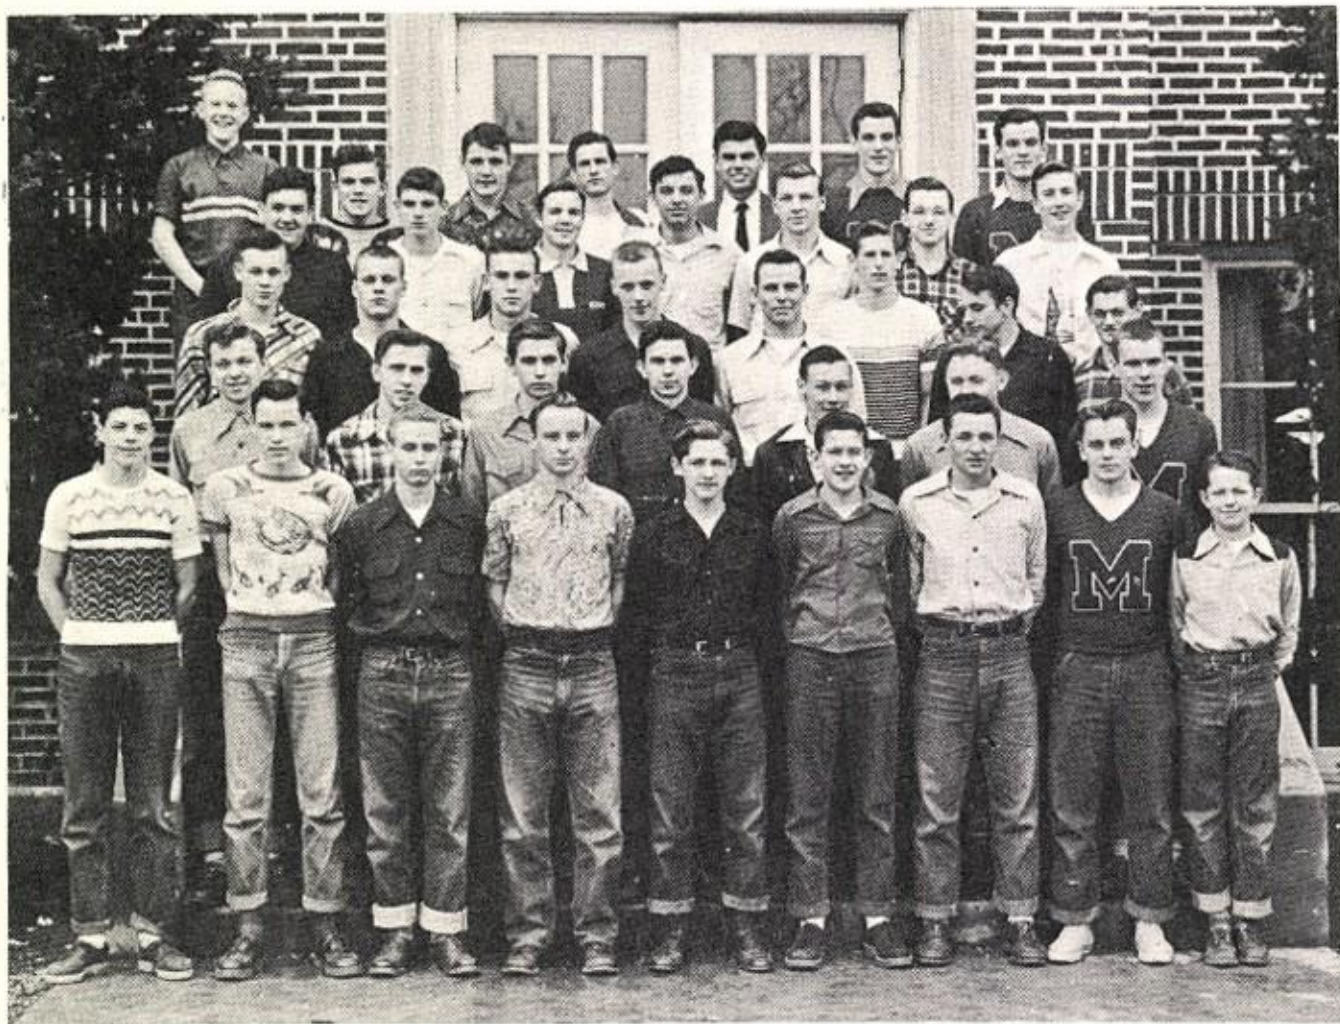

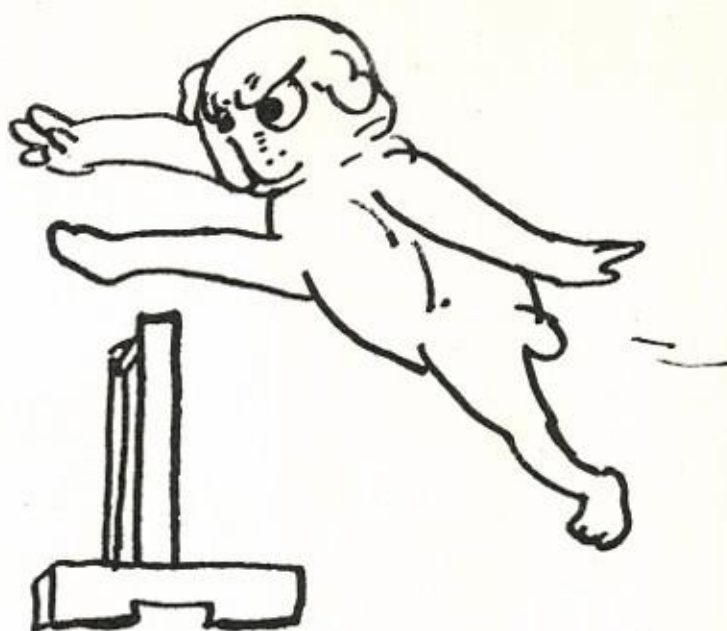

The baseball teams of 1951 is playing in a different league and the teams ought to be good. The new league is the Southwestern Buckeye which has been expanded from just football to all sports. At this writing there isn't any results of the 1951 season to report.

Lee Ehlers Jim Schumacker
Marvin Koogler

Track

From the above gang will come the "squad" of 195

The Track team of the season of 1950 was a very successful one as they surged to victories in the Madison Relays, the runner-up spot in the Stillwater Valley League, the pole vault championship at the Ohio Weslyn Relays, and they won almost every dual and triangler meets they entered last year. Coach Cole lost very few boys from that squad and he should make it tough on all opponets this year.

Beacon Hill Billy

"Beacon Hill Billy" is the story of the fabulous Winthrop-Beanes, of Boston fame. Mrs. Winthrop-Beane (Jo Ann Kelly) tries to marry her son Norris (Joel Thompson) off to a wealthy heiress, Billy Hill (Sally Wright) and at the same time keep her daughter, Elas (Carolyn Arnold) from marrying a Greenwich Village artist named Allen Kelcy (John Lea). Besides all this, she must also keep the family skeleton, Aunt Lucky (Barbara Hunt), hidden. Aunt Lucky had married Mrs. Beane's brother-in-law years before and he had brought her to Boston from Kentucky. After her husband died, Aunt Lucky was kept locked in a room in the Beane mansion. Billy Hill heard of this and masqueraded as Aunt Lucky's niece, Winnie Mae, but soon after, who should appear but the real Winnie Mae (Mary Lou Fritz). In the mix-up that occurs, Norris finds himself in love with Winnie Mae and soon after, Allen and Billy Hill announce their engagement. In the role of the stiff, pompous butler, Struthers, is Socky Karns: Darlene Ditmer portrays the cute but independent maid, Tessie, and Bill Netzley plays the roll of Jock, the family chauffeur, who is in love with Tessie. Last but not least is the role of Kentucky Twist, father of Winnie Mae, played by Dave Huffaker.
